PRODUCT BULLETIN

Bulletin No: PB469

Issue Date: 2-7-2024

Effective Date: 2-7-2024

Description/Title:

New T18 Tip Shape

Part No:

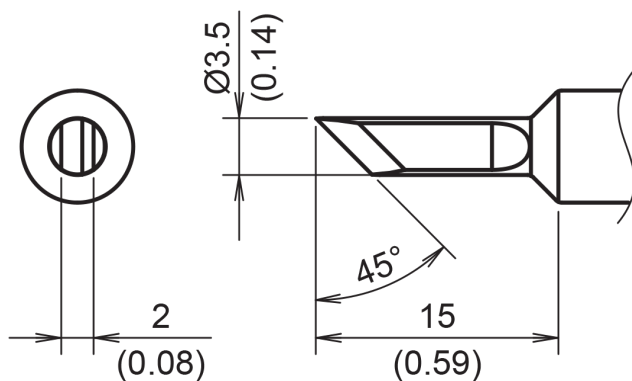

T18-K35

Specifications:

Units: mm (in.)

T18-K35

Comments:

The T18-K35 was developed as a custom tip. The smaller shape of the knife blade provides more versatility than the standard K shapes, and due to increased demand, the tip has been added as a standard shape to the T18 Series.
